## *About this sale —*

An "old-time dealer" with whom we have had the pleasure of dealing over a period of years, in this case for over 30 years, asked us to sell his inventory for him at Public Auction.

The major portion of this sales catalog, comprising lots #9 through #963, is the property of this "old-time dealer." It contains Uncirculated rolls, many of which have not been offered for sale in recent years.

It also contains an outstanding group of circulated rolls and circulated coins, mostly of the "hard-to-find" variety.

The coins were all carefully graded and the lots were made up so that small buyers as well as quantity buyers would have an opportunity to acquire many of these very desirable coins.

We urge you to review this catalog carefully for we are quite sure it contains many items which will prove of great interest to you.

For those of you who are bidding at a STACK'S sale for the first time, please read "Terms Governing this Sale" carefully.

## *About this sale —*

An "old-time dealer" with whom we have had the pleasure of dealing over a period of years, in this case for over 30 years, asked us to sell his inventory for him at Public Auction.

The major portion of this sales catalog, comprising lots #9 through #963, is the property of this "old-time dealer." It contains Uncirculated rolls, many of which have not been offered for sale in recent years.

It also contains an outstanding group of circulated rolls and circulated coins, mostly of the "hard-to-find" variety.

The coins were all carefully graded and the lots were made up so that small buyers as well as quantity buyers would have an opportunity to acquire many of these very desirable coins.

We urge you to review this catalog carefully for we are quite sure it contains many items which will prove of great interest to you.

For those of you who are bidding at a STACK'S sale for the first time, please read "Terms Governing this Sale" carefully.
